Any advertising involving contests, prizes, political advertising or testimonials is subject to review prior to publication. Advertising that resembles news style must be bordered and prominently labeled as an advertisement. The Regional News and the Westville Indicator shall have full positioning latitude on all advertisements except those with guaranteed positions.

If the ad is paid for by a third party, then the disclaimer must include language stating whether or not a candidate approved the ad.

Estimates

At your request, we can provide estimates for advertising. Notices required to be run by government entities per state law have rates set annually by the state. Precise estimates are often unable to be provided for notices with complex formatting as the price depends on the exact number of lines the notice will contain.

Payment

We prefer that advertising be paid in advance. However, businesses and organizations of good standing and reputation may purchase advertising on credit. Payment terms are net 30. A late fee of 1.5% of the past due balance will be assessed each month, amounting to an annual rate of 18%. There is a charge of \$15 for any check returned from the bank (NSF). All rates provided are based on payment by check.
